

Staking Guide

What Is Staking?

Staking lets you lock your PeoCoin (PEO) in the network to support operations like transaction validation. In return, you earn rewards.

How to Stake PeoCoin

Step 1: Log In

1. Open the PeoPay app or website.
2. Navigate to **Staking** → **Start Staking**.

Step 2: Choose an Amount

1. Enter the amount of PEO you wish to stake.
2. Review the staking terms:
 - Lock period: 30 days minimum.
 - Current Annual Percentage Yield (APY): 12%.

Step 3: Confirm and Stake

1. Click **Confirm** to lock your PEO.
 2. Monitor your rewards in the **Staking Dashboard**.
-

How Rewards Are Calculated

Your rewards depend on: - **Staked Amount**: The more you stake, the more you earn. - **DCS Tier**: - Bronze: Base rewards. - Silver: +10%. - Gold: +20%. - Platinum: +30%.

FAQs

1. **Can I withdraw staked PEO early?**
 - Early withdrawals may incur a penalty.
 2. **How often are rewards paid?**
 - Rewards are paid weekly to your wallet.
 3. **What happens after the lock period?**
 - Your staked PEO is automatically unlocked.
