

# Crypto-to-Mobile Guide

## What Is Crypto-to-Mobile?

PeoPay's crypto-to-mobile feature allows you to convert PeoCoin (PEO) into local mobile money balances instantly.

---

## How to Use Crypto-to-Mobile

### Step 1: Open the PeoPay App

1. Log in to your PeoPay account.
2. Navigate to **Transactions** → **Crypto-to-Mobile**.

### Step 2: Enter Conversion Details

1. Select the amount of PeoCoin (PEO) you want to convert.
2. Enter the recipient's mobile number.

### Step 3: Confirm and Convert

1. Review the transaction details:
    - Conversion rate
    - Transaction fees
    - Total amount in mobile currency
  2. Click **Confirm** to complete the conversion.
-
